BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On or about March 30, 2010, the Nebraska Public Service Commission (Commission) opened the above-mentioned docket, on its own motion, seeking to administer funding for public safety answering points for the implementation and provision of Enhanced Wireless 911 service pursuant to the permanent funding mechanism approved under Docket No. 911-019/PI-118.

On April 8, 2010, Madison County filed an application for funding with the Commission pursuant to Docket No. 911-019/PI-118.

Pursuant to Neb. Rev. Stat. § 86-466, "The commission is not required to provide compensation for costs to more than one public safety answering point in any county." The Commission advised Madison County in a letter dated June 30, 2006, that the Commission understood that the Norfolk Police Department provided all enhanced wireless 911 services to Madison County. All funding from the Enhanced Wireless 911 Fund (Fund) has been paid to the Norfolk Police Department as the designated PSAP for Madison County. Therefore, pursuant to § 86-466, no allocation under the permanent funding mechanism was made to Madison County and it is not eligible for funding at this time.

Based upon the above, the Commission finds that funding request for Madison County should be denied consistent with the allocation determined in Docket 911-019/PI-118 and § 86-466.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the funding request for Madison County is hereby denied as set forth herein.

MADE AND ENTERED at Lincoln, Nebraska this 22nd day of June, 2010.
