BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On or about March 30, 2010, the Nebraska Public Service Commission (Commission) opened the above-mentioned docket, on its own motion, seeking to administer funding for public safety answering points for the implementation and provision of Enhanced Wireless 911 service pursuant to the permanent funding mechanism approved under Docket No. 911-019/PI-118.

On April 10, 2013, the City of Columbus (Columbus) filed its application for funding with the Commission pursuant to Docket No. 911-019/PI-118.

Columbus, which serves Platte County, is eligible for funding in the amount of up to \$77,253.92 for the 2013-14 funding year. Columbus has indicated that it anticipates using the funding provided for costs related to support for 911 hardware and software, mapping software, and training, and plans to set aside 75% of its funding for future equipment and software upgrades and purchases.

No prior funding commitments exist.

Based upon the above, the Commission finds that the funding request for Columbus in the amount of up to \$77,253.92, should be approved consistent with the allocation determined in Docket 911-019/PI-118 paid in monthly installments of \$7,023.08 over eleven months.

Pursuant to Docket 911-019/PI-118, Columbus is required to submit documentation to justify expenditures, including an accounting of funds set aside for future equipment and software purchases, and update contact and other information no later than October 15 following the close of the funding year. If the Commission determines that any funds were not used appropriately,

funding for the following funding year will be adjusted to recoup any necessary funds. All PSAPs are subject to audit.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the funding request for Columbus is hereby approved as set forth herein in the amount of up to \$77,253.92.

IT IS FURTHER ORDERED that Columbus submit required documentation to justify all expenditures with approved funds no later than October 15 following the close of the funding year consistent with the terms of the order approving the permanent funding mechanism and process in Docket 911-019/PI-118 entered on February 23, 2010.

MADE AND ENTERED at Lincoln, Nebraska this 29th day of May, 2013.
