O P I N I O N A N D F I N D I N G S

On or about March 30, 2010, the Nebraska Public Service Commission (Commission) opened Docket No. 911-042, on its own motion, seeking to administer funding for public safety answering points for the implementation and provision of Enhanced Wireless 911 service pursuant to the permanent funding mechanism approved under Docket No. 911-019/PI-118. Funding was first allocated to the Keya Paha County PSAP pursuant to Docket No. 911-042.54 pursuant to an Order entered July 27, 2010.

The Keya Paha County PSAP ceased taking 911 calls on or about April 20, 2016, at which time its operations were consolidated with the Cherry County PSAP. Final audits have been completed, all necessary financial adjustments have been made and the Keya Paha set-aside account balance, in the amount of \$72,194.98, has been transferred to the Cherry County set-aside account.

Based on the foregoing, the Commission finds Docket No. 911-042.54 should be closed.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Docket No. 911-042.54 is hereby closed.
