The Nebraska Public Service Commission (Commission) adopted the permanent cost model to administer funding for public safety answering points for the implementation and provision of Enhanced Wireless 911 service under Docket No. 911-019/PI-118.

Based upon the request for funding, supporting documentation, and in consideration of the recommendation of the Advisory Board, the Commission is of the opinion and finds that a portion of the costs requested are eligible under Neb. Rev. Stat. § 86-465 as costs have been incurred or will be incurred for the purchase, installation, maintenance or operation of telecommunications equipment and telecommunications services required for the provision of enhanced wireless 911 service

Pursuant to the permanent funding mechanism, PSAPs are permitted to retain up to seventy-five percent (75%) of the amount allocated to that PSAP for the future purchase of equipment and software.

Based upon the above, the Commission finds Thayer County's request should be approved in the amount of **\$5,675.88**.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Thayer County's request to use set aside funds in the amount of \$5,675.88 is hereby approved, as set forth herein.
