BY THE COMMISSION:

On July 6, 2016, Sarpy County filed a request to use set aside funds to install an additional position in their PSAP. The total funding request is in the amount of \$12,006.38.

The costs are shared costs subject to the wireless/wireline ratio. The wireless ratio for the Sarpy County for the 2016-2017 funding year is 81% wireless.

The Wireless Enhanced 911 Advisory Board considered the request at its August 29, 2016 meeting and recommended the request be approved.

The Nebraska Public Service Commission (Commission) adopted the permanent cost model to administer funding for public safety answering points for the implementation and provision of Enhanced Wireless 911 service under Docket No. 911-019/PI-118.

The amount eligible for funding using set-aside funds would be up to \$9,725.17 when utilizing the wireless ratio on file with the Commission.

Based upon the request for funding, supporting documentation, and in consideration of the recommendation of the Advisory Board, the Commission is of the opinion and finds that the costs requested are eligible under NEB. REV. STAT. § 86-465 as costs have been incurred or will be incurred for the purchase, installation, maintenance or operation of telecommunications equipment and telecommunications services required for the provision of enhanced wireless 911 service.

Based upon the above, the Commission finds that use of set-aside funding by Sarpy County should be approved in the amount of up to **\$9,725.17**.
