On or about March 30, 2010, the Nebraska Public Service Commission (Commission) opened the above-mentioned docket, on its own motion, seeking to administer funding for public safety answering points for the implementation and provision of Enhanced Wireless 911 service pursuant to the permanent funding mechanism.¹

On April 24, 2012, EDS 911 (EDS) filed its application for funding with the Commission pursuant to Neb. Admin. Code Title 291, Ch. 15 § 007.01. EDS provides service for the 308 area code section of Franklin County including the communities of Hildreth, Franklin, Naponee and Bloomington.

Pending resolution of the issues currently being considered in Docket No. 911-019/PI-118², EDS is eligible for interim funding in the amount of \$19,122.86 for the 2012-13 funding year. This amount reflects a deduction for pre-existing commitments in the amount of \$6,444.00. EDS has indicated that it anticipates using the funding provided for the following purposes: maintenance and equipment updates. EDS plans to set aside 40% of its funding for future equipment and software upgrades and purchases.

Based upon the above, the Commission finds \$19,122.86 should be approved consistent with the allocation previously approved by the Commission in Application No. 911-019/PI-118³. EDS shall

All true-ups will be made retroactively to July 1, 2012.
