BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On or about March 30, 2010, the Nebraska Public Service Commission (Commission) opened the above-mentioned docket, on its own motion, seeking to administer funding for public safety answering points for the implementation and provision of Enhanced Wireless 911 service pursuant to the permanent funding mechanism approved under Docket No. 911-019/PI-118.

On June 24, 2010, Kearney County filed its application for funding with the Commission pursuant to Docket No. 911-019/PI-118. The deadline for the filing of all applications for funding was April 23, 2010.

Kearney County, which services the area of Kearney County, is eligible for funding in the amount of \$28,720.70 for the 2010-11 funding year. Kearney County has indicated that it anticipates using the funding provided for the following purposes: telecommunications service costs and plans to set aside the remainder of its funding for future equipment and software upgrades and purchases. The county has been advised that any telecommunications service costs paid with the approved funding must be directly related to the provision of wireless enhanced 911 services.

Prior funding commitments in the amount of \$2,888.00 were previously approved and must be deducted from the allocation. Furthermore, the Commission finds that due to the late filing of its application, Kearney County's total annual allocation should be reduced in an amount equal to one month's payment in the amount of \$2,152.72. The monthly payments shall be recalculated based upon the reduced annual allocation. Such a reduction is necessary as a matter of fairness to those PSAPs who filed applications in a timely manner.

Based upon the above, the Commission finds that funding request for Kearney County in the amount of \$23,679.98 should be approved consistent with the allocation determined in Docket 911-019/PI-118.

Pursuant to Docket 911-019/PI-118, Kearney County is required to submit documentation to justify expenditures, including an accounting of funds set aside for future equipment and software purchases, and update contact and other information no later than October 15 following the close of the funding year. If the Commission determines that any funds were not used appropriately, funding for the following funding year will be adjusted to recoup any necessary funds. All PSAPs are subject to audit.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the funding request for Kearney County is hereby approved as set forth herein in the amount of \$23,679.98.

IT IS FURTHER ORDERED that Kearney County submit required documentation to justify all expenditures with approved funds no later than October 15 following the close of the funding year consistent with the terms of the order approving the permanent funding mechanism and process in Docket 911-019/PI-118 entered on February 23, 2010.

MADE AND ENTERED at Lincoln, Nebraska this 27th day of July, 2010.
