BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On or about March 30, 2010, the Nebraska Public Service Commission (Commission) opened the above-captioned docket, on its own motion, seeking to administer funding for wireless service providers for the implementation and provision of Enhanced Wireless 911 service pursuant to the permanent funding mechanism approved under Docket No. 911-019/PI-118.

Sagir, Inc. dba Indigo Wireless (Sagir) filed an application for funding pursuant to Docket No. 911019/PI-118. Pursuant to the permanent funding mechanism, Sagir has been allocated an amount up to \$32,147.00 paid in monthly installments of \$2,678.92. Sagir, provides service in multiple counties within Nebraska, and states that the funds will be used for Phase I and II database management and selective router/T-1 costs. Sagir has submitted estimates of the costs it expects to incur during the funding year well in excess of Sagir's allocation, and therefore Sagir has demonstrated sufficient costs to receive its entire allocation.

The Commission finds that the funding request for Sagir in the amount of \$32,147.00 paid in monthly installments of \$2,678.92 should be approved.

Pursuant to Docket 911-019/PI-118, Sagir is required to submit documentation to justify expenditures and update contact and other information no later than October 15 following the close of the funding year. If the Commission determines that any funds were not used appropriately, funding for the following funding year would be adjusted to recoup any necessary funds. All wireless service providers are subject to audit.

Any wireless service provider failing to file timely and accurate quarterly reports may be subject to delays or loss of funding in addition to any other administrative penalties.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the funding request for Sagir is hereby approved in the amount of \$32,147.00.

IT IS FURTHER ORDERED that Sagir shall submit required documentation to justify all expenditures with approved funds no later than October 15 following the close of the funding year.

MADE AND ENTERED at Lincoln, Nebraska, this 27th day of July, 2010.
