On or about March 30, 2010, the Nebraska Public Service Commission (Commission) opened the above-mentioned docket, on its own motion, seeking to administer funding for public safety answering points for the implementation and provision of Enhanced Wireless 911 service pursuant to the permanent funding mechanism.<sup>1</sup>

Pinpoint Wireless, d/b/a BLAZE Wireless (Pinpoint) requested interim funding in the amount of \$32,340.00. Because Pinpoint had not previously received funding, Commission staff examined the funding received by similarly situated wireless service providers and, considering Pinpoint's relatively low physical presence in a limited number of counties, estimated that Pinpoint would be eligible to receive only \$400.00. The Commission approved interim funding of \$400.00 on July 17, 2012. Interim payments were made with the understanding that any adjustments made as a result of issues being considered in Docket No. 911-019/PI-118<sup>2</sup> would be retroactive to July 1, 2012.

On September 18, 2012, the Commission entered an order in Docket No. 911-019/PI-118 resolving the outstanding issues resulting in adjustments to WSP funding.<sup>3</sup> Based upon those

Therefore, Pinpoint shall receive a total of \$331.64 to be paid in monthly installments in the amount of \$36.85 for the remaining nine (9) months of the 2012-2013 funding year.

Pinpoint is required to submit documentation to justify expenditures and update contact and other information no later than October 15 following the close of the funding year consistent with Neb.
