BY THE COMMISSION:

OPINION AND FINDINGS

By complaint filed December 24, 1981, Rocky Mountain Trucking Co., Casper, Wyoming, holder of certificate of public convenience and necessity issued in M-11753, alleges that the Defendant, Wyoming-Nebraska Express, Inc., Denver, Colorado, willfully performed operations in Nebraska intrastate commerce beyond the scope of Defendant's granted authority in Certificate No. M-12338. The matter came on for hearing before the Commission on April 1, 1982, at which time Defendant indicated its consent to the entry of an Order by the Commission directing Defendant to cease and desist from the transportation of commodities which by reason of size or weight require the use of special equipment. Complainant indicated at the hearing that it would view the entry of such order by the Commission as full satisfaction of its Complaint.

Upon consideration of the record and being fully advised in the premises, the Commission is of the opinion and hereby finds that the Defendant, Wyoming-Nebraska Express, Inc., should be ordered to cease and desist from the transportation of commodities which by reason of size or weight require the use of special equipment, and that this proceeding should in all other respects be dismissed.

O R D E R

IT IS, THEREFORE, ORDERED by the Nebraska Public Service Commission that the Defendant, Wyoming-Nebraska Express, Inc., Denver, Colorado, holder of a certificate of public convenience and Necessity in M-11753, CEASE AND DESIST all operations involving the transportation of commodities which by reason of size or weight require the use of special equipment, and that this complaint in all other respects be dismissed.

MADE AND ENTERED at Lincoln, Nebraska, this 13th day of April, 1982.
