BY THE COMMISSION

The Commission on its own motion opened this docket May 14, 1992. The docket was established to approve or disapprove plans submitted by certain affected telecommunications companies. Specifically, we must decide whether to approve plans for disposing of excess revenues that resulted from decreases in personal property taxes during the 1991 tax year. Neb. Rev. Stat. Section 86-803(9) (1992 Cum. Supp.) governs our review. We approved plans offered by Arlington Telephone Company ("Arlington"), Blair Telephone Company ("Blair"), Eastern Nebraska Telephone Company ("Eastern") and Rock County Telephone Company ("Rock County") on June 23, 1992.

After those orders were entered, the Nebraska Supreme Court ruled in the Bahensky and Jaksha cases that the property tax scheme (upon which the Commission and the companies relied in calculating the amount of revenue subject to disposition in 1991) was unconstitutional. The Commission's Communication Department (the Staff) then moved that we hold the C-931 docket in abeyance while the Legislature reacted to the court's rulings and we did so August 4, 1992.

The voters of the State subsequently approved an amendment to the State Constitution (AMENDMENT 1) and the Legislature, in special session, altered the State's personal property tax laws to adjust the State's tax policy to the Bahensky and Jaksha decisions (L.B. 1). The new legislation survived the court's scrutiny (MAPCO II) and this requires a new calculation of the 1991 revenues for

disposition by the telecommunications carriers subject to this docket.

Based on proposed stipulations between the Staff and the Respondents US West Communications and Lincoln Telephone Company, we lifted the order of abeyance as it applied to those two companies and reviewed modified plans for disposition offered by them. Hearing was held in the Commission Hearing Room, Lincoln, Nebraska on June 2, 1993. All Commissioners were present to hear testimony. Entered into the record as Exhibits 5 and 6 were letters from Governor Ben Nelson and the State Tax Commissioner praising the stipulations and urging their approval.

Briefly, the stipulations we considered at that hearing recalculated the amount of revenue for disposition for the 1991 tax year. In addition, the stipulations addressed tax years 1989, 1990, and 1992. After hearing, the Commission approved the Lincoln Telephone and US West dispositions as per the stipulations. This was done by an order entered June 16, 1993.

Now we consider whether to sanction similar stipulations offered by Arlington, Blair, Eastern, Rock County, and the Staff. Each mirrors the stipulations already approved, except in the amount of revenue available for disposition for the tax years in question. Staff moved that the order of abeyance be lifted as it applies to these Respondents. We grant that motion.

The Commission, being fully advised, finds: the proposed stipulation between these Respondents and the Staff should be adopted and incorporated by reference into this order as Exhibits 1, 2, 3, and 4 and should be made the findings and final determination of the Commission.

We also take judicial notice of the fact that a new docket (Application No. C-992) was opened to apply Section 86-803(9) to the 1992 tax year. This docket applies to all telecommunications companies, including Arlington, Blair, Eastern, and Rock County just as the C-931 docket did. Because the stipulations and this order also apply to these Respondents for the 1992 tax year, this order concludes Arlington's, Blair's, Eastern's, and Rock County's participation in the C-992 docket.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the proposed stipulations be and they are hereby adopted and incorporated by reference into this order as Exhibits

1, 2, 3, and 4 and made the findings and final determination of the Commission as applied to the Arlington Telephone Company, Blair Telephone Company, Eastern Nebraska Telephone Company, and Rock County Telephone Company.

IT IS FURTHER ORDERED that the proposed plans offered by the Respondents which dispose of revenues from decreased personal property taxes for the 1991 tax year as recalculated in Exhibits 1, 2, 3, and 4 be, and they are hereby, approved pursuant to this order.

IT IS FINALLY ORDERED this order concludes Arlington Telephone Company's, Blair Telephone Company's, Eastern Nebraska Telephone Company's, and Rock County Telephone Company's participation in the C-992 docket.

MADE AND ENTERED at Lincoln, Nebraska this 30th day of June, 1993.
