BY THE COMMISSION

O P I N I O N A N D F I N D I N G S

The Commission opened this docket May 14, 1992. A format was established to approve or disapprove plans submitted by certain affected telecommunications companies. Specifically, this docket sought whether to approve disposition of excess revenues resulting from decreases in personal property taxes for the 1991 tax year. Neb. Rev. Stat. Section 86-803(9) (1992 Cum. Supp.) governs our review. Subsequently, we considered a plan offered by Hooper Telephone Company, Hooper, Nebraska ("Hooper") on June 30, 1992, but did not rule on the company's proposal.

After this occurred, the Nebraska Supreme Court ruled in the Bahensky and Jaksha cases that the property tax scheme (upon which the Commission and the companies relied in calculating the amount of revenue subject to disposition in 1991) was unconstitutional. The Commission's Communication Department (the Staff) then moved that we hold the C-931 docket in abeyance while the Legislature reacted to the court's rulings and we did so August 4, 1992.

The voters of the State subsequently approved an amendment to the State Constitution (AMENDMENT 1) and the Legislature, in special session, altered the State's personal property tax laws to adjust the State's tax policy to the Bahensky and Jaksha decisions (L.B. 1). This new legislation has since survived the court's scrutiny (MAPCO II) and this requires a new calculation of the 1991 revenues for disposition by the telecommunications carriers subject to this docket.

Based on proposed stipulations between the Staff and the Respondents US West Communications and Lincoln Telephone Company, we lifted the order of abeyance as it applied to those companies and reviewed modified plans for disposition offered by them.

Hearing was held in the Commission Hearing Room, Lincoln, Nebraska on June 2, 1993. All Commissioners were present to hear testimony. Entered into the record as Exhibits 5 and 6 were letters from Governor Ben Nelson and the State Tax Commissioner praising the stipulations and urging their approval.

Briefly, the stipulations we considered at that hearing recalculated the amount of revenue for disposition for the 1991 tax year. In addition, the stipulations addressed tax years 1989, 1990, and 1992. After hearing, the Commission approved the Lincoln Telephone and US West dispositions as per the stipulations. This was done by an order entered June 16, 1993.

Now we consider whether to sanction a stipulation offered by Hooper and the Staff. It approximates the stipulations described above and already approved, except in the amount of revenue available for disposition for the tax years in question. In addition, the stipulation modifies the previously offered 1991 plan by shifting the 1991 revenues for disposition to the Logan View Education Foundation, a newly formed corporation located in Hooper and created to solicit, receive, and allocate funds to promote quality education at Logan View Junior/Senior High School. Staff moved that the order of abeyance be lifted as it applies to Hooper. We grant that motion.

The Commission, being fully advised, finds: the proposed stipulation between Hooper and the Staff should be adopted and incorporated by reference into this order as Exhibit 1 and should be made the findings and final determination of the Commission.

We also take judicial notice of the fact that a new docket (C-992) was opened to consider application of section 86-803(9) to the 1992 tax year. This docket applies to all telecommunications companies, including Hooper, just as the C-931 docket did. Because the stipulation and this order apply to Hooper for the 1992 tax year, this order also concludes Hooper's participation in the C-992 docket.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the proposed stipulation be and it is hereby adopted and incorporated by reference into this order as Exhibit 1 and made the findings and final determination of the Commission as applied to Hooper Telephone Company.

IT IS FURTHER ORDERED that the proposed plans offered by the

Respondent disposing of revenues from decreased personal property taxes for the 1991 tax year as recalculated in Exhibit 1 be, and it is hereby, approved pursuant to this order.

IT IS FINALLY ORDERED this order concludes Hooper Telephone Company's participation in the C-992 docket.

MADE AND ENTERED at Lincoln, Nebraska this 8th day of July, 1993.
