ing authority to install a state-)	ORDER NUNC PRO TUNC
wide North American Numbering Plan)	
establishing 1+ Ten Digit Long)	
Distance Dialing in Nebraska.)	
	Entered: January 24, 1994

BY THE COMMISSION

The Commission enters this order nunc pro tunc to correct the original order entered in this docket December 20, 1993. The purpose of an order nunc pro tunc is to correct the record which has been made so that it will truly record the action taken which, through inadvertence or mistake, was not truly recorded. Interstate Printing Co. v. Dept. of Revenue, 236 Neb. 110, 459 N.W.2d 519 (1990). Clerical errors may be corrected by an order nunc pro tunc but not judicial errors. Larson v. Bedke, 211 Neb. 247, 318 N.W.2d 253 (1982).

In the original order, the date of May 4, 1994 was inserted into the order to establish the start-up date of the permissive period for instituting 1 + 10 digit dialing in Nebraska. This date is in error. Actually, the start-up date for the permissive period is May 15, 1994 and this error should be corrected by an order nunc pro tunc to reflect the latter date.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the order issued in Application No. C-1014 (December 21, 1993) be amended by this order nunc pro tunc to establish that the INPA plan be instituted by all local exchange carriers with an optional permissive dialing period

Application No. C-1014
