M. Gene Hand, Director of the Nebraska Public Service Commission's Communications Department, petitions the Nebraska Public Service Commission in the matter against Business Network Communications and its officers and alleges as follows:

1. Complainant is Director of the Department of Communications of this Commission.
2. Defendant is a foreign corporation which is doing business in Nebraska without having been domesticated.
3. Defendant operates as a reseller of telecommunications services interLATA in Nebraska intrastate commerce without a Certificate of Public Convenience and Necessity granted by this Commission contrary to Neb.
