By complaint filed October 26, 1995, the City of South Sioux City, South Sioux City, Nebraska, alleges that the defendant, Burlington Northern Railroad Company, has failed to make improvements and repairs at crossings, failed to maintain weeds and grass growing on the right-of-way, and failed to install intra-track blocking to allow installation of sidewalks at several crossings in the city.

On November 3, 1995, complainant withdrew its complaint.

Upon the motion of complainant, the Commission is of the opinion and finds that Formal Complaint No. 1249 should be dismissed.
