By Motion filed on January 3, 2003, the Complainant in the above captioned cause seeks an extension of time to reply to the Counterclaim filed within the Defendant's Answer. The Complainant also requests additional time so that it may find local legal representation. This is the first request of the Complainant for an extension of time. Upon consideration of the Complainant's motion, I am of the opinion that an extension of time should be granted to the Complainant. The Complainant may have until January 21, 2003, to file a reply as requested.
