BY THE COMMISSION:

On May 6, 2020, an application was filed by Russ Sudbeck of Hartington, Nebraska ("Applicant"), seeking authority to receive advanced telecommunications service from the Hartington Exchange of Hartington Telecommunications Co., Inc. ("Hartington") in lieu of service from the Wynot Exchange of Great Plains Communications LLC ("Great Plains"). Notice of the application was published in The Daily Record, Omaha, Nebraska, on May 12, 2020.

O P I N I O N A N D F I N D I N G S

Hartington and Great Plains are local exchange carriers holding certificates of public convenience and necessity to provide local exchange service in their respective territories. The Applicant, Russ Sudbeck, seeks service to his house, which resides within the boundary of Great Plains' Wynot Exchange, and has requested a boundary change so that he may receive advanced telecommunications capability service from Hartington's Hartington Exchange. Great Plains has notified the Commission that it does not oppose the proposed boundary change. Hartington has also notified the Commission that it does not object to the boundary change and that it is willing to provide service to the Applicant.

Changes of a local exchange territory are governed by Neb. Rev. Stat. §§ 86-135 - 86-138. Section 86-135 states that only upon non-consent of all telephone carriers involved shall the Commission hold a public hearing in the application. With no protest filed by any party and with each of the affected local exchange carriers consenting to the boundary change, the Commission processes this application administratively and without a public hearing.

The Commission staff has modified the relevant exchange maps to show the boundary changes to the relevant exchanges. Copies of the exchange maps with the proposed revisions are attached as Attachment "A" to this Order and are hereby incorporated for reference. If either Hartington or Great Plains have objections or

changes to the proposed boundary maps, they must contact the Commission with said objections or changes on or before July 31, 2020. If the Commission receives no objections or changes from either party by July 31, 2020, the boundary maps shall be modified as proposed in Attachment "A".

The Commission finds that, in light of the consent between the parties involved, the application is in the public interest and should be granted. It is the expectation of the Commission that the two carriers involved in the boundary change shall collaborate in good faith to ensure that the transition of the customer's service from one carrier to the other shall be as seamless as possible.

O R D E R

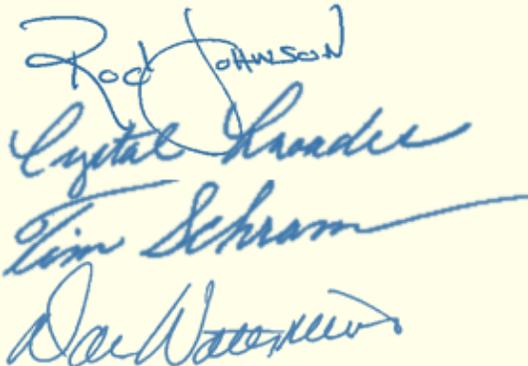

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-5128 be, and it is hereby, granted.

IT IS FURTHER ORDERED that the revised exchange boundaries detailed in Attachment "A" to this Order be, and are hereby made, the official boundaries of the Wynot Exchange of Great Plains Communications, LLC, and the Hartington Exchange of Hartington Telephone Co., Inc.

ENTERED AND MADE EFFECTIVE at Lincoln, Nebraska, this 30th day of June, 2020.
