BY THE COMMISSION:

On July 30, 2020 an Application was filed by Timberlake Ranch Camps, of Marquette, Nebraska seeking a boundary change to receive advanced telecommunications capability service from the Hordville Exchange of Hamilton Telephone Company ("Hamilton"), in lieu of its current telephone service from CenturyLink. Notice of the application was published in The Daily Record, Omaha, Nebraska, on August 6, 2020. No protests were filed; therefore, this docket was handled pursuant to the Commission's Rules of Modified Procedure.

## O P I N I O N     A N D     F I N D I N G S

Hamilton and CenturyLink are local exchange carriers holding certificates of public convenience and necessity to provide local exchange service in their respective territories. Timberlake Ranch Camp, Inc. is located within the boundary of CenturyLink's Central City Exchange and has requested a boundary change so that it may receive telephone service from the Hordville Exchange of Hamilton Telephone Company. CenturyLink has notified the Commission that it does not oppose the proposed boundary change. Hamilton has also notified the Commission that it is willing to make the boundary change and provide service to the Applicant.

Changes of a local exchange territory are governed by *Neb. Rev. Stat.* §§ 86-135 to 86-138. Section 86-135 states that only upon non-consent of all telephone carriers involved shall the Commission hold a public hearing in the application. With no protest filed by any party and with each of the affected local exchange carriers consenting to the boundary change, the Commission processes this application administratively and without a public hearing.

The Commission staff has modified the CenturyLink and Hamilton local exchange maps to show the boundary change to the Hordville Exchange. Copies of the exchange maps with the proposed

revisions are attached as Attachment "A" to this Order and hereby incorporated for reference. If either company has objections or changes to the proposed boundary map, it has until October 6, 2020, to contact the Commission with said objections or changes. If the Commission receives no objections or changes from CenturyLink or Hamilton by close of business on October 6, 2020 the boundary maps shall be modified as proposed in Attachment "A".

The Commission finds that, in light of the consent between the parties involved, the application is in the public interest and should be granted. It is the expectation of the Commission that the two carriers involved in the boundary change shall collaborate in good faith to ensure that the transition of the customer's service from one carrier to the other shall be as seamless as possible.

IT IS FURTHER ORDERED that on or before October 6, 2020 the parties to this docket shall contact the Commission with any changes or concerns regarding the boundary as proposed in Attachment "A" to this order. If no objection is received from CenturyLink or Hamilton, the boundary as shown in Attachment "A" to this Order, shall be the official boundary of the two telecommunication companies.
