The Nebraska Public Service Commission (Commission), on its own motion, opens the present docket to collect and review the 2021 annual reports required pursuant to Neb. Rev. Stat. § 86-159, and to process any and all motions or requests related to the annual report.

On May 10, 2022, the Communications Department (Department) of the Commission filed a Departmental Complaint seeking an order assessing civil penalties and revoking the operating authority of each of the Respondents named in the Complaint. This Complaint alleges that the named carriers failed to timely file an annual report pursuant to Neb. Rev. Stat. § 86-159. A copy of the Complaint and this Order shall be mailed to each Respondent via certified mail.

As part of its regulatory authority and pursuant to Neb. Rev. Stat. § 86-159, the Commission, through the Department, requires telecommunications companies which file an annual report with a federal agency to file a copy of the same report with the Commission on or before the date on which said report is filed with the federal agency. Every such company not required to file such a report with a federal agency is required to file an annual report with the Commission in a form prescribed by the Commission on or before April 30th of each year.

Each interexchange carrier and local exchange carrier was notified by the staff on or about January 31, 2021 by email, and via certified mail on or about March 1, 2022 and, by email on or about March 31, 2022, that the annual report was due on April 30, 2022. Carriers who have failed to comply may be subject to fines
