BY THE COMMISSION:

On March 30, 2022, an Application was filed by Renee Coudeyras of Liberty, Nebraska, seeking authority to receive advanced telecommunications service from the North Summerfield Exchange of Blue Valley Telecommunications, Inc. ("Blue Valley"), in lieu of her current telephone service from the Liberty Exchange of Windstream Nebraska, Inc. ("Windstream"). Notice of the application was published in The Daily Record, Omaha, Nebraska, on April 5, 2022. No protests were filed; therefore, this docket was handled pursuant to the Commission's Rules of Modified Procedure.

O P I N I O N A N D F I N D I N G S

Blue Valley and Windstream are local exchange carriers holding certificates of public convenience and necessity to provide local exchange service in their respective territories. Renee Coudeyras is located within the boundary of Windstream's Liberty exchange and has requested a boundary change so that she may receive telephone service from the North Summerfield Exchange of Blue Valley. Windstream has notified the Commission that it does not oppose the proposed boundary change. Blue Valley has also notified the Commission that it is willing to provide service to the Applicants.

Changes of a local exchange territory are governed by Neb. Rev. Stat. §§ 86-135 to 86-138. Section 86-135 states that only upon non-consent of all telephone carriers involved shall the Commission hold a public hearing in the application. With no protest filed by any party and with each of the affected local exchange carriers consenting to the boundary change, the Commission processes this application administratively and without a public hearing.

The Commission staff has modified the Blue Valley and Windstream local exchange maps to show the boundary change to the North Summerfield Exchange. Copies of the exchange maps with the proposed revisions are attached as Attachment "A" to this Order and hereby incorporated for reference. If either company has objections or changes to the proposed boundary map, it must contact the Commission on or before June 24, 2022, with said objections or changes. If the Commission receives no objections or changes from Windstream or Blue Valley by close of business on June 24, 2022, the boundary maps shall be modified as proposed in Attachment "A".

The Commission finds that in lieu of the consent between the parties involved, the application is in the public interest and should be granted. It is the expectation of the Commission that the two carriers involved in the boundary change shall collaborate in good faith to ensure that the transition of the customer's service from one carrier to the other shall be as seamless as possible.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-5386 be, and it is hereby, granted.

IT IS FURTHER ORDERED that on or before June 24, 2022, the parties to this docket shall contact the Commission with any changes or concerns regarding the boundary as proposed in Attachment "A" to this order. If no objection is received from Windstream or Blue Valley, the boundary as shown in Attachment "A" to this Order shall be the official exchange boundary of the two telecommunications companies.

ENTERED AND MADE EFFECTIVE at Lincoln, Nebraska, this 24th day of May, 2022.
