## O P I N I O N     A N D     F I N D I N G S

On May 10, 2022, the Communications Department of the Nebraska Public Service Commission ("Department"), filed a Complaint against Star2Star Communications LLC (hereinafter "Respondent"), seeking to fine Respondent on the grounds that it failed to file required remittance worksheets and/or remittance payments by the 30th day following the end of the remittance period pursuant to Neb. Rev. Stat. § 86-312 and 291 Neb. Admin. Code § 5-010.06C. Specifically, the Complaint alleged that Respondent did not timely file its remittance worksheets or payments for the two yearly remittance periods consisting of July 2019 to June 2020 and July 2020 to June 2021.

Since the Complaint in this matter was entered, the Respondent has entered into a stipulated agreement with the Department resolving the allegations contained in the Complaint. Pursuant to this agreement, Respondent has paid a fine to the Department and has agreed to timely file its remittance payments and worksheets henceforth. Also pursuant to the agreement, the Department and Respondent have jointly requested the Commission to enter an order in this docket dismissing the Complaint and releasing Respondent from further compliance obligations regarding the TRS remittance payments and worksheets relating to the remittance periods of July 2019 to June 2020 and July 2020 to June 2021.

Upon review of the facts of this case, the stipulated agreement, and applicable laws and regulations, the Commission
