wireless services in Cass)

BY THE HEARING OFFICER:

On July 12, 2016, the Nebraska Public Service Commission (Commission) opened the above-captioned investigation into issues affecting the adequacy of wireless services and wireless 911 telephone services in the Lake Wa Con-Da area of Cass County, Nebraska. In its Order, the Commission scheduled this matter for hearing to be held on August 24, 2016.

On July 12, 2016, the Commission received a request from Viaero Wireless (Viaero) to postpone the hearing due to a scheduling conflict. As Viaero has been involved in discussions with the Commission regarding possible solutions, Viaero expressed a desire to participate in the proceeding.

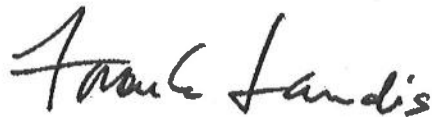

Based on the above, I find that Viaero's request to postpone the August 24, 2016 hearing should be granted. The proceeding will be rescheduled at a later date.

O R D E R

IT IS THEREFORE ORDERED by the Hearing Officer that the hearing on this matter scheduled for August 24, 2016 be, and is hereby, postponed to a date yet to be determined.

ENTERED AND MADE EFFECTIVE at Lincoln, Nebraska this 27th day of July, 2016.
