Applicant seeks to revise its tariff relating to Connection of Customer Provided Equipment based on recent changes in the Federal Communications Commission Registration Program. It is also proposed to add the Institutional Program for Premises Wiring where customers provide the wiring. A charge of \$26.50 for the first 15 minutes and \$6.50 for each additional 15 minutes would apply for telephone company testing of such wiring.

Upon consideration of the application and attending circumstances and being fully advised, the Commission is of the opinion and finds that the application is fair and reasonable, is in the public interest and should be granted.

ORDER

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-12 be and it is hereby granted and the Northwestern Bell Telephone Company be and it is hereby authorized to revise its tariff to include the sheets set forth in the Opinion and Findings herein.
