OPINION AND FINDINGS

BY THE COMMISSION:

By order entered December 14, 1982, the Commission denied the above-captioned application.

On December 27, 1982 applicant filed a Motion for Reconsidered and/or Rehearing. Oral argument on said motion was held on January 11, 1983 at 2:30 p.m. in the Commission Hearing Room, Lincoln, Nebraska.

Upon reconsideration of the application, the evidence adduced at the hearing arguments of counsel and being fully advised the Commission is of the opinion and finds that:

1. Applicant is a corporation organized and existing under the laws of the State of Nebraska with its principal place of business at Blair, Nebraska. It is engaged in the telephone business as a common carrier serving 4,121 subscribers through exchanges at Grant, Hayes Center, Imperial, Palisade, Sutherland and Venango, Nebraska.

2. Applicant has obtained financing through the Rural Telephone Bank in order to make plant improvements. As a condition of the loan, applicant was required to purchase Class B stock in the Rural Telephone Bank and the amount of the loan was increased to fund said purchase. Applicant's investment in Rural Telephone Bank stock is \$31,250.

3. The evidence indicates that the inclusion of the Applicant's investment in Rural Telephone Bank Stock and interest expense associated therewith, for the Separations study year ended December 31, 1981, would have resulted in additional toll settlements to it of \$4,261.

4. The application is fair and reasonable, is in the public interest and should be granted.
