OPINION AND FINDINGS

BY THE COMMISSION:

By its application filed March 4, 1983, the Dalton Telephone Company, Inc., Dalton, Nebraska seeks a certificate of convenience and necessity to construct, install, maintain, and operate toll telephone facilities at Dix and Bushnell, Nebraska.

Notice of the filing of the application was published pursuant to the provisions of the Commission's Rules and Regulations. No protest to the application was filed.

Applicant owns and operates the telephone exchanges at Dix and Bushnell. The Northwestern Bell Telephone Company presently furnishes toll telephone services at said exchanges.

Applicant proposes to purchase, maintain and operate the required toll telephone facilities at its exchanges from said central offices to connect with the facilities of Northwestern Bell Telephone Company as follows:

Applicant proposes to connect the Bushnell Central Office with Northwestern's cable facility at a point located in the Southwest Corner of the Southeast Quarter of Section 30, Range 57 West, Township 14 North, Kimball County, Nebraska a distance of approximately 3,635 feet.

Applicant proposes to connect the Dix Central Office with the Northwestern's cable facilities at a point in the Southeast corner of the Southeast Quarter of Section 26, Range 55 West, Township 14 North, Kimball County, Nebraska a distance of approximately 29,790 feet.

The Northwestern Bell Telephone Company is agreeable with the application and has filed its consent thereto. Any existing facilities of Northwestern Bell Telephone Company not acquired by applicant will be removed or otherwise deposed of and no duplication of facilities will be created.

Upon consideration of the application and attending circumstances and being fully advised, the Commission is of the opinion and finds that the application is fair and reasonable, is in the public interest and should be granted.
