## OPINION AND FINDINGS

## BY THE COMMISSION:

By its application filed June 17, 1983, the Glenwood Telephone Membership Corporation, Blue Hill, Nebraska, seeks authority to add Custom Calling Service, and Sale of Telephone Equipment, increase its tariff for Central Office and Outside Plant Connectors, loud ringing bells, Key Set rates for 10 button set-tone dial with Handsfree Answerback, and reduce Key Set rates on 10-button set-rotary dial. Applicant also proposes to reduce rates for Toll Restrictors on touch-tone equipment, and establish new rates for Telehorn, additional sets, Power Supply, and Access to PBX trunks.

Notice of the filing of the application was published pursuant to the provisions of the Commission's Rules and Regulations. No protest to the application was filed.

Attached to the application and incorporated herein by reference are copies of the following proposed tariff sheets:

Part I, First revised sheet 27  
 Part II, First revised sheet 3  
 Part II, First revised sheet 5  
 Part II, First revised sheet 6  
 Part II, First revised sheet 11  
 Part II, First revised sheet 15  
 Part II, First revised sheet 20  
 Part II, First revised sheet 21

Part II, First revised sheet 22

 Part II, First revised sheet 28  
 Part II, Original sheet 31  
 Part II, Original sheet 32  
 Part III, Second revised sheet 4  
 Part III, Second revised sheet 5

Upon consideration of the application, attending circumstances, and being fully advised, the Commission is of the opinion and finds that:

1. Applicant seeks to offer custom calling features to include call waiting, call forwarding, three-way calling, and speed calling in exchanges where facilities permit. Applicant also proposes to provide for the sale of terminal equipment, including in-place equipment. Existing installations of in-place terminal equipment will be offered for sale at prices above cost under normal circumstances.

2. Applicant seeks to increase the rate for central office and outside plant connection charges to more accurately reflect the cost of the work involved.

3. Applicant proposes to increase the rate for loud ringing bells, and the rate for 10-Button Key set, tone dial, with Handsfree Answerback. Applicant seeks to reduce the rate for 10 Button Key set, rotary dial, and reduce the rate for toll restrictors on touch-tone equipment.

4. Applicant proposes to establish new rates for Telehorn, Power Supply, access to PBX trunks, and additional telephone sets.

5. Upon consideration of the application, and attending circumstances, and being fully advised, the Commission is of the opinion and finds that the application is fair and reasonable, is in the public interest, and should be granted.

ORDER

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-415 be and it is hereby granted and that the Glenwood Telephone Membership Corporation be and it is hereby authorized to revise its tariff to include the sheets set forth in the Opinion and Findings herein.

IT IS FURTHER ORDERED that Applicant file appropriate tariff sheets with the Commission.
