OPINION AND FINDINGS

BY THE COMMISSION:

By its application filed November 4, 1983, the General Telephone Company of the Midwest, Columbus, Nebraska, seeks authority to add equipment rates for Intrastate Private Line Services.

Notice of the filing of the application was published pursuant to the provisions of the Commission's Rules and Regulations. No protest to the application was filed.

Attached to the application and incorporated herein by reference are copies of the following proposed tariff sheets:

Section VI:

First Revised Sheet A
Original Sheet B
First Revised Sheet 1
Original Sheets 2 thru 56

Applicant seeks to revise its tariffs to add rates for private line terminal equipment. Applicant concurs in the Private Line Tariff of Northwestern Bell Telephone Company. Since Northwestern Bell Telephone Company will no longer provide terminal equipment after January 1, 1984, it is necessary that applicant's tariff contain rates for such terminal equipment.

The proposed tariffs contain rates and regulations for existing installations of terminal equipment and reflect no changes in rates. All new equipment will be installed on a non-tariffed basis.

Upon consideration of the application and attending circumstances and being fully advised, the Commission is of the opinion and finds that the application is fair and reasonable, is in the public interest and should be granted.

ORDER

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-468 be and it is hereby granted and the General Telephone Company of the Midwest be and it is hereby authorized to revise its tariff to include the sheets set forth in the Opinion and Findings herein.
