## SECRETARY'S RECORD, NEBRASKA PUBLIC SERVICE COMMISSION

### BEFORE THE NEBRASKA PUBLIC SERVICE COMMISSION

In the Matter of the Effect of Competition in Interexchange Telephone Service.

Application No. C-506

RESOLUTION

Entered: September 18, 1984

FINDINGS

### BY THE COMMISSION:

The Commission finds that judicial, regulatory, and technological changes in the telecommunications industry in recent years have created issues that are affecting and will continue to affect the viability of interexchange telephone service in the State of Nebraska.

The Commission further finds the need for a detailed proposal that will allow the exchange carriers and other telecommunications entities in the State of Nebraska to adapt and adjust to these changes in an orderly fashion.

#### RESOLUTION

IT IS THEREFORE RESOLVED by the Nebraska Public Service Commission that all parties to this Docket are requested to participate in a series of meetings under the auspices of the Telecommunications Division of this Commission for the purpose of developing a detailed plan that will provide for orderly adaptation to changes in the telecommunications industry.

IT IS FURTHER RESOLVED that any party which does not concur in such final plan may submit an alternative plan for the Commission's consideration.

IT IS FURTHER RESOLVED that such plan address with particularity the specific adaptations and adjustments proposed, time periods in which such adaptations are contemplated, specific actions by the Commission which are deemed necessary, recommended regulatory and statutory changes, if any, and any other information which will assist the Commission in the adoption and implementation of such plan.

IT IS FURTHER RESOLVED that recommended statutory changes, including documentation in support thereof, be submitted to the Commission by November 15, 1984.

IT IS FURTHER RESOLVED that a preliminary draft of such plan be submitted to the Commission within sixty (60) days from the date this resolution is entered and a final plan (30) days thereafter.
