OPINION AND FINDINGS

BY THE COMMISSION:

By docket opened August 7, 1990, the Commission on its own motion seeks to determine the boundary between the Polk exchange of the Lincoln Telephone Company and the Hordville exchange of the Hamilton Telephone Company.

Both the Lincoln Telephone Company and the Hamilton Telephone Company were notified of this docket and directed to propose a revised boundary which will eliminate the duplicate service area.

Both telephone companies have agreed that the area in question should be included in the Hordville exchange of the Hamilton Telephone Company and two customers, First State Bank and United Coop, Inc., should be allowed to continue to receive telephone service from the Polk exchange. If the customer moves or sells the property or business or the existing service is disconnected for any other reason then new service must be provided solely by the Hamilton Telephone Company, the only exception being that service may be transferred to another family member who is a member of the household at that time.

The two customers were notified of this proposal by certified mail on February 5, 1992 and given 30 days in which to request a public hearing. No response has been received.

Upon consideration of the docket and being fully advised, the Commission is of the opinion and finds that a boundary has been agreed upon by all parties which will eliminate the duplicate service area in question between the Polk and Hordville exchanges. Both telephone companies should be ordered to file revised service area maps showing the area in question to be in the Hordville exchange and that First State Bank and United Coop, Inc. be grandfathered to receive service from the Polk exchange.

ORDER

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that a boundary be determined in docket No. C-838 which will eliminate the duplicate service area in question between the Polk and Hordville exchanges.

SECRETARY'S RECORD, NEBRASKA PUBLIC SERVICE COMMISSION

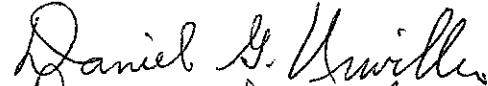

IT IS FURTHER ORDERED that revised service area maps be filed by Lincoln Telephone Company and the Hamilton Telephone Company showing the area in question to be in the Hordville exchange with a note on the maps indicating that service to First State Bank and United Coop, Inc. is grandfathered from the Polk exchange of Lincoln Telephone Company.

MADE AND ENTERED at Lincoln, Nebraska this 18th day of March, 1992.
