OPINION AND FINDINGS

BY THE COMMISSION:

By docket opened August 7, 1990, the Commission on its own motion seeks to determine the boundary between the Hildreth exchange of GTE North, Inc. and the Axtell exchange of US West.

Both GTE North, Inc. and US West were notified of this docket and directed to propose a revised boundary which will eliminate the duplicate service area.

Both telephone companies have agreed that the area in question should be included in the Hildreth exchange of GTE North, Inc. and four customers, Glenn D. Bruce, Dennis L. Nelson, Roger Frerichs, and Arnold or Randy Lundeen, should be allowed to continue to receive telephone service from the Axtell exchange. If the customer moves or sells the property or business or the existing service is disconnected for any other reason then new service must be provided solely by GTE North, Inc., the only exception being that service may be transferred to another family member who is a member of the household at that time.

The four customers were notified of this proposal by certified mail on March 12, 1991, and given 30 days in which to request a public hearing. One letter was received from Randy Lundeen stating that he was currently living with his father, Arnold Lundeen, and it was extremely important that Axtell service be grandfathered to Arnold or Randy Lundeen.

Upon consideration of the docket and being fully advised, the Commission is of the opinion and finds that a boundary has been agreed upon by all parties which will eliminate the duplicate service area in question between the Hildreth and Axtell exchanges. Both telephone companies should be ordered to file revised service area maps showing the area in question to be in the Hildreth exchange and that Glenn D. Bruce, Dennis L. Nelson, Roger Frerichs, and Arnold or Randy Lundeen be grandfathered to receive service from the Axtell exchange.

ORDER

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that a boundary be determined in docket No. C-840 which will eliminate the duplicate service area in question between the Hildreth and Axtell exchanges.

SECRETARY'S RECORD, NEBRASKA PUBLIC SERVICE COMMISSION

IT IS FURTHER ORDERED that revised service area maps be filed by GTE North, Inc. and US West showing the area in question to be in the Hildreth exchange with a note on the maps indicating that service to Glenn D. Bruce, Dennis L. Nelson, Roger Frerichs, and Arnold or Randy Lundeen is grandfathered from the Axtell exchange of US West.

MADE AND ENTERED at Lincoln, Nebraska this 23rd day of April, 1991.
