OPINION AND FINDINGS

BY THE COMMISSION:

By docket opened August 7, 1990, the Commission on its own motion seeks to determine the boundary between the Wallace exchange of Consolidated Telco, Inc. and the Elsie exchange of Elsie Mutual Telephone Company.

Both Consolidated Telco, Inc. and Elsie Mutual Telephone Company were notified of this docket and directed to propose a revised boundary which will eliminate the duplicate service area.

Both telephone companies have agreed that the area in question should be included in the Elsie exchange of Elsie Mutual Telephone Company and one customer, Francis Dowling, should be allowed to continue to receive telephone service from the Wallace exchange. If the customer moves or sells the property or business or the existing service is disconnected for any other reason then new service must be provided solely by Elsie Mutual Telephone Company, the only exception being that service may be transferred to another family member who is a member of the household at that time.

Mr. Dowling was notified of this proposal by certified mail on January 30, 1991, and given 30 days in which to request a public hearing. No response has been received.

Upon consideration of the docket and being fully advised, the Commission is of the opinion and finds that a boundary has been agreed upon by all parties which will eliminate the duplicate service area in question between the Wallace and Elsie exchanges. Both telephone companies should be ordered to file revised service area maps showing the area in question to be in the Elsie exchange and that Francis Dowling be grandfathered to receive service from the Wallace exchange.

ORDER

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that a boundary be determined in docket No. C-843 which will eliminate the duplicate service area in question between the Wallace and Elsie exchanges.

SECRETARY'S RECORD, NEBRASKA PUBLIC SERVICE COMMISSION

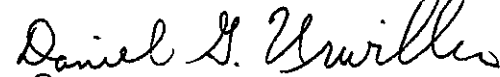

IT IS FURTHER ORDERED that revised service area maps be filed by Consolidated Telco, Inc. and Elsie Mutual Telephone Company showing the area in question to be in the Elsie exchange with a note on the maps indicating that service to Francis Dowling is grandfathered from the Wallace exchange of Consolidated Telco, Inc.

MADE AND ENTERED at Lincoln, Nebraska this 5th day of March, 1991.
