OPINION AND FINDINGS

BY THE COMMISSION:

By docket opened August 7, 1990, the Commission on its own motion seeks to determine the boundary between the Arlington exchange of the Arlington Telephone Company and the Herman exchange of Great Plains Communications.

Both the Arlington Telephone Company and Great Plains Communications were notified of this docket and directed to propose a revised boundary which will eliminate the duplicate service area.

Both telephone companies have agreed that the area in question should be included in the Arlington exchange of the Arlington Telephone Company and one customer, Mr. Walter Gosker, should be allowed to continue to receive telephone service from the Herman exchange. If the customer moves or sells the property or business or the existing service is disconnected for any other reason then new service must be provided solely by the Arlington Telephone Company, the only exception being that service may be transferred to another family member who is a member of the household at that time.

Mr. Gosker was notified of this proposal by certified mail on March 14, 1991, and given 30 days in which to request a public hearing. No response has been received.

Upon consideration of the docket and being fully advised, the Commission is of the opinion and finds that a boundary has been agreed upon by all parties which will eliminate the duplicate service area in question between the Arlington and Herman exchanges. Both telephone companies should be ordered to file revised service area maps showing the area in question to be in the Arlington exchange and that Mr. Walter Gosker be grandfathered to receive service from the Herman exchange.

ORDER

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that a boundary be determined in docket No. C-848 which will eliminate the duplicate service area in question between the Arlington and Herman exchanges.

SECRETARY'S RECORD, NEBRASKA PUBLIC SERVICE COMMISSION

IT IS FURTHER ORDERED that revised service area maps be filed by the Arlington Telephone Company and Great Plains Communications showing the area in question to be in the Arlington exchange with a note on the maps indicating that service to Mr. Walter Gosker is grandfathered from the Herman exchange of Great Plains Communications.

MADE AND ENTERED at Lincoln, Nebraska this 16th day of April, 1991.
