PRELIMINARY MATTERS

By application filed January 20, 1995, Steve and Raelynn Bygland seeks authority to receive telephone service from the Albion exchange served by GTE Midwest, Inc. (GTE) in lieu of current service provided by Petersburg Telephone Company (Petersburg). Petersburg filed a protest to the application on February 22, 1995. Also on February 22, 1995, Petersburg served interrogatories on the applicants, requesting answers be returned within thirty (30) days.

O P I N I O N A N D F I N D I N G S

Comes now the applicant, requesting an extension of time be granted in order to fully answer the interrogatories filed by Petersburg. Legal counsel has indicated Petersburg does not object to an extension. Therefore, the deadline to answer the interrogatories will now be to April 17, 1995.

The Commission being fully advised in the premises finds the request for an extension of time is reasonable, in the public interest and should be granted.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the interrogatories served upon the applicants, I. Steve and Raelynn Bygland, shall be answered on or before April 17, 1995.

MADE AND ENTERED at Lincoln, Nebraska, this 28th day of March, 1995.
