O P I N I O N A N D F I N D I N G S

The petition in the caption above is filed by the Communi-
cations Department (the "Department") of the Nebraska Public
Service Commission (the "Commission") by and through its
Director, M. Gene Hand, on July 6, 1995. The Department
petitioned the Commission to revoke the intrastate operating
authority of the following telecommunications companies (the
"Defendants") and that they be ordered to cease and desist from
operating in Nebraska:

American Telecommunications Enterprise, Inc.; C-1051
American Telephone Network, Inc.; C-935

Quest Telecommunications, Inc.; C-1041
TELNET Communications, Inc.; C-921
Total Tel USA Communications; C-1098
Universal Network Services - Nebraska; C-1113

The defendants are telecommunications companies generally regulated by the Commission pursuant to Neb. Rev. Stats.

75-101 et seq. (1994 Cum. Supp.) and 86-801 to 86-11 (Reissue 1994). These companies are also governed by Title 291, NAC Ch. 5 of the Commission's Rules and Regulations.

As part of its regulatory authority and pursuant to 86-807, the Commission, through its Communications Department, requires telecommunications companies which file an annual report with a federal agency to file a copy of same report with the Commission on or before the date on which said report is filed with the federal agency. Every such company not required to file such a report with a federal agency shall file an annual report with the Commission in a form prescribed on or before April 30 of each year.

In the case of the defendants, proper and complete annual reports have not been filed for 1994, as of the date of this petition. Each company was notified by the staff two times by first class mail, January 10 and May 5, 1995, that the annual report was due. None of the defendants had filed a report by the date of the petition.

Since the petition was filed, three additional companies have hence complied with the reporting requirements previously described. Therefore,

Quest Telecommunications, Inc.,
Inmate Phone Systems, Inc.,
NOSVA Limited Partnership and
Universal Network Services of Nebraska

should be dismissed from this docket since the subject of the petition has been satisfied. We take this opportunity to warn these companies that the Commission will not continually accept such late filed reports. If similar disregard is given the annual report due in 1996, such a dismissal may not be permitted.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the departmental complaint filed against Quest Telecommunications, Inc. Inmate Phone Systems, Inc., NOSVA Limited Partnership and Universal Network Services of
