O P I N I O N A N D F I N D I N G S

The petition in the caption above was filed by the Communications Department of the Nebraska Public Service Commission on September 12, 1995. The petition requests the Commission revoke the intrastate operating authority of the following telecommunications companies:

International Telecommunications Exchange Corporation, and
TelTrust Communications Services.

The defendants are telecommunications companies generally regulated by the Commission pursuant to Neb. Rev. Stats. 75-101 et seq. (1994 Cum. Supp.) and 86-801 to 86-11 (Reissue 1994). These companies are also governed by Title 291, NAC Ch. 5 of the Commission's Rules and Regulations.

As part of its regulatory authority and pursuant to 86-807, the Commission, through its Communications Department, requires telecommunications companies which file an annual report with a federal agency to file a copy of same report with the Commission on or before the date on which said report is filed with the federal agency. Every such company not required to file such a report with a federal agency shall file an annual report with the Commission in a form prescribed on or before April 30 of each year.

In the case of the defendants, proper and complete annual reports were not filed for 1994, at the date of the petition. The companies were notified by the staff two times by first class mail, January 5 and May 5, 1995, that the annual report was due.

Since the petition was filed, one of the defendants, TelTrust Communications Services, has responded with a report that satisfies the Commission's requirements; therefore, TelTrust Communications Services is hereby dismissed from this application and departmental complaint.
