PRELIMINARY MATTERS

Premiere Communications, Inc. (hereinafter referred to as Premiere) of Atlanta, Georgia filed an application with the Commission on November 6, 1995. The applicant's business address is noted above. Notice of the application appeared in the Omaha Daily Record, November 8, 1995. 30, 1996 hearing, and being fully informed, the Commission is of the opinion and finds:

Nebraska was divided into three Local Access Transport Areas ("LATAs") as a result of the terms of the Modification of Final Judgement (the "MFJ") issued in the AT&T divestiture case. United States v. American Telephone & Telegraph Co., F.Supp. 131 (D.D.C. 1982), aff'd sub nom., California v. United States, 460 U.S. 1001 (1983) and United States v. American Telephone & Telegraph Co., 569 F.Supp. 990 (D.D.C. 1983) aff'd sub nom., California v. United States, 460 U.S. 1001 (1983).

While Neb. Rev. Stat. 75-604, by its language, refers to local exchange service, the Nebraska Supreme Court in Northwestern Bell Telephone v. Consolidated Telephone Co., 180 Neb. 268, 142 N.W.2d 324 (1966) held that long distance service is also subject to the provisions of the statute. This was recognized by the Legislature in LB 835 (LAWS 1986) because interexchange services (which include resellers) in Sec. 86-805 (part of LB 835) are referenced to in Sec. 75-604. For this reason, the Commission distinguishes between intraLATA and interLATA resale when deciding reseller applications.

Mr. Patrick Jones of Premiere, testified. Mr. Jones stated, and the pleadings reflect, the applicant seeks both intraLATA and interLATA authority. The application also seeks authority to provide Alternate Operator Services (AOS). Premiere incorporated in the state of Florida in October 1991. The applicant is a wholly-owned subsidiary of Premiere Technology.

The applicant has received authority to operate in approximately twenty-one (21) states and has applications pending in several others. No formal complaints or other investigatory or enforcement proceedings involving the business operations of Premiere, its officers, directors, shareholders or principals, have been initiated by a state commission. No state has denied Premiere a certificate of authority.

Premiere will use WilTel and LDDS as its underlying carriers. Premiere proposes to offer 1+, 800 services and travel card services. Premiere's services are provided to both residential and business customers.

The applicant provides a toll-free 800 number for customer service, twenty-four hours a day, seven days a week. The customer service toll-free number is displayed on Premiere's bill. Premiere performs its own billing.
