On June 10, 1997, GTE Midwest, Inc. (GTE) and Sprint Spectrum L.P. jointly filed an application seeking approval of their voluntarily negotiated interconnection agreement. Notice of the application was published in The Daily Record on June 12, 1997. AT&T Communications of the Midwest, Inc. and the Nebraska Independent Telephone Association filed comments on GTE and Sprint Spectrum's interconnection agreement. No protests were filed; therefore, this application will be processed pursuant to the Commission's Rule of Modified Procedure.

Pursuant to Section 252(a) of the Telecommunications Act of 1996 (the Act), GTE and Sprint Spectrum entered into an interconnection agreement arrived at through voluntary negotiations. An executed copy of the voluntarily negotiated interconnection agreement is contained within the application.

Neither the agreement nor any portion thereof discriminates against any telecommunications carrier that is not a party to the agreement. Furthermore, the implementation of the agreement is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act mandates this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the interconnection agreement filed June 10, 1997, should be approved.
