O P I N I O N A N D F I N D I N G S

IIX was granted authority in Application No. C-1567 to operate as a resale carrier of interLATA and intraLATA interexchange telecommunications services within the State of Nebraska on August 26, 1997.

By letter dated September 4, 1998, IIX indicated that prior to commencing business in Nebraska, IIX limited the scope of its operations and decided against providing telecommunications services within the State of Nebraska.

As IIX had not provisioned or invoiced any customers within the State of Nebraska nor does IIX intend to operate in Nebraska in the future, IIX respectfully requested the Commission to cancel its certificate of authority.

After consideration of the request and being fully advised in the premises, the Commission is of the opinion and finds the request reasonable and that Insurance Information Exchange, L.L.C. of College Station, Texas, may withdraw its Certificate of Public Convenience and Necessity issued in Application No. C-1567.
