BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

By application filed August 11, 1997, Legacy Long Distance International, Inc., (LLD) of Long Beach, California seeks authority to provide intraLATA and interLATA interexchange telecommunications services in Nebraska. Notice of the application appeared in The Daily Record on August 13, 1997. No protests were filed; therefore, this application was administered pursuant to the Commission's Rules of Modified Procedure.

LLD was organized in the state of California as a corporation on September 10, 1996. Applicant has authority to operate in six states and plans to become certificated in three additional states. No state has denied applicant a certificate of authority.

LLD's communications network in Nebraska will utilize existing telecommunications facilities of underlying certificated carriers. The company's name and customer service number are printed on all its bills. In addition, LLD has a toll-free 800 number for customer service, which operates seven days a week, 24 hours a day.

LLD will offer 1+, inward WATS service, operator assisted services and travel card services statewide to both residential and business customers.

Due to the time frame of incorporation, annual financial statements for the previous three years of operations were not available. However, the financial statements presented for the period ending May 31, 1997, reflect that profitability has been achieved.
