BY THE COMMISSION:

On August 12, 1997, US West NewVector Group, Inc. of Bellevue, Washington, on behalf of itself and Omaha Cellular Telephone Company dba AirTouch Cellular (AirTouch), filed an application requesting authority to utilize the arbitrated agreement between US West Communications, Inc. (USW) and Western Wireless Corporation (Western). The Commission approved the request on August 26, 1997.

On September 24, 1997, USW and AirTouch jointly requested to amend their existing interconnection agreement to lower certain nonrecurring trunk routing change charges.

The Telecommunications Act of 1996 requires state commissions to approve all interconnection agreements. We have reviewed the proposed amendment to the interconnection agreement between USW and AirTouch and find it to be reasonable. It should be approved with an effective date of October 6, 1997, pursuant to Commission policy.

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that effective October 6, 1997, the interconnection agreement between US West Communications and Omaha Cellular Telephone Company dba AirTouch Cellular is hereby amended as reflected on the two-page attachment that is made a part of this order.
