This Matter comes before the Commission upon the request filed by Pierce Telephone Company (Pierce) on July 2, 2018 for approval of a modification in the calculation of its earnings.

Pierce requests permission to change the election selected in the required reporting of earnings from a one-year total company to a three-year intrastate basis effective with the 2017 NUSF-EARN Form.

In the C-1628 Order, the Commission permitted incumbent local exchange carriers (ILECs) to utilize a one-year or three-year averaged period for the determination of the ILEC's earnings relative to the calculation of NUSF payments. Although the Commission will not consider requests such as this lightly, upon review of the particular facts which led to Pierce's request and being fully advised on the premises, the Commission finds that the request for a change in election filed by Pierce should be approved effective for the 2017 reporting period.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the request filed by Pierce Telephone Company should be and it is hereby granted as set forth herein.
