## O P I N I O N   A N D   F I N D I N G S

On May 30, 2000, JATO Operating Corp. (JATO), a wholly-owned subsidiary of JATO Communications Corp., filed a petition for leave to intervene as a limited party with this Commission in Docket No. C-1830.

JATO is a competitive local exchange carrier that has been certified to provide service in US West and other territories in the state of Nebraska. According to its petition, JATO will have a direct and immediate interest in the subject matter of this proceeding and a financial interest that may be affected by the Commission's decisions rendered herein. As a DSL carrier already providing service in US West's Nebraska territory, JATO brings knowledge and expertise that will assist the Commission and the parties in addressing the issues presented in this proceeding.

JATO understands that it seeks to enter this proceeding in an untimely manner and, therefore, seeks to participate only on a limited party basis. JATO's appearance and participation, therefore, will not unreasonably broaden the issues, burden the record, or unreasonably delay this proceeding.

Therefore, being fully informed of the premises herein, the Commission is of the opinion and finds that good cause exists for the Commission to authorize JATO to intervene herein as a limited party as previously outlined in this docket.

## O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that JATO Operating Corp., a wholly-owned subsidiary of JATO Communications Corp., is hereby granted limited-party status as previously outlined in this docket.

MADE AND ENTERED at Lincoln, Nebraska, this 6th day of June,  
2000.
