within the state of Nebraska.) Entered: January 20, 1999

BY THE COMMISSION:

On November 24, 1998, this Commission granted the application of Elias Ventures, Inc. of Longview, Texas d/b/a NCIC the authority to provide interLATA and intraLATA resold interexchange telecommunications services in the state of Nebraska. The approval was granted via the modified procedure rules of the Commission as no protests were filed.

The application offered by the Applicant gave the name of the Applicant as "Elias Ventures, Inc. d/b/a NCIC". See Application received and dated October 5, 1998. NCIC is the abbreviation of Network Communications International Corporation. The Applicant had inadvertently and inaccurately included the name "Elias Ventures, Inc." in the name of the corporation seeking approval from this Commission. The Applicant seeks to have the certificate granted only under the name "Network Communications International Corporation (NCIC)."

Inasmuch as this correction does not fall under the scope of an order Nunc Pro Tunc, this Commission enters this clarifying order to correct the recordation of the name of the Applicant in the certificate granted in Docket C-1915.

O P I N I O N A N D F I N D I N G S

Applicant received authority to operate as a resale carrier of intrastate interexchange intraLATA and interLATA telecommunications services within the state of Nebraska under the name "Elias Ventures, Inc. d/b/a as NCIC". The Application document gave the incorrect name of the Applicant but all other information was correct including the corporate name under which the Applicant was legally operating. This clarifying order is necessary to correct the error in the Application and the accompanying certificate.
