O P I N I O N A N D F I N D I N G S

On November 23, 1998, GTE Midwest, Inc. (GTE) and Nextel West Corp. (Nextel), jointly filed an application seeking approval of their voluntarily-negotiated interconnection agreement. Notice of the application was published in The Daily Record on November 25, 1998. The Nebraska Independent Telephone Association filed comments on GTE and Nextel's interconnection agreement. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

Pursuant to Section 252(a) of the Telecommunications Act of 1996 (the Act), GTE and Nextel entered into a master resale interconnection agreement arrived at through voluntary negotiations. An executed copy of the voluntarily-negotiated interconnection agreement is contained within the application.

Neither the agreement nor any portion thereof discriminates against any telecommunications carrier that is not a party to the agreement. Furthermore, the implementation of the agreement is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the interconnection agreement filed November 23, 1998, should be approved.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the voluntarily-negotiated interconnection agreement between GTE and Nextel be, and it is hereby, approved.

IT IS FURTHER ORDERED that the executed interconnection agreement filed herein be, and it is hereby, made the official copy on file with the Nebraska Public Service Commission.
