BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On August 3, 1999, the Commission entered an order in this docket approving the merger of Telecom One, Inc. with and into Eclipse Telecommunications, Inc. (collectively, the Applicants). Pursuant to that order, the applicants were required to file an updated tariff, reflecting the reorganization, with the Commission within 30 days from the date of the order.

On August 27, 1999, the applicants filed a motion for an extension of time to file its updated tariff. Applicants are currently unable to comply with the tariff filing requirement, due to the still-pending nature of the merger. Applicants propose to file their updated tariff promptly upon consummation of the merger, an event the applicants believe will occur no later than October 31, 1999.

Upon consideration of the motion and being fully informed, the Commission finds that the request is fair and reasonable, and is of the opinion the motion should be granted.
