Nebraska.) Entered: January 4, 2000

BY THE COMMISSION:

On August 31, 1999, the Commission opened this docket to investigate various issues related to the provisioning of payphones. The Commission specifically identified two issues for more thorough analysis: minimum technical requirements of payphones and pricing of payphone services. In addition, the Commission reserved the right to investigate any other issues that may arise during its investigation.

Today the Commission seeks comments on these and any other issues affecting the provisioning of payphones. Interested parties are encouraged to file their comments with the Commission on or before 5:00 p.m., February 4, 2000. Comments should be filed in hard copy format, including the original and five copies, and should also include an electronic copy on a diskette in WordPerfect 5.0 format. Reply comments should be filed by February 25, 2000, in like manner. Comments and reply comments filed by facsimile will **not** be accepted.
