BY THE COMMISSION:

On December 21, 1999, US West Communications, Inc. (n/k/a Qwest) of Denver, Colorado, filed the above-captioned application seeking approval of its revised Statement of Generally Available Terms (SGAT), pursuant to Section 252(f) of the 1996 Telecommunications Act.

Shortly thereafter, the Commission initiated a thorough review of Qwest's SGAT. However, before the Commission concluded its review, Qwest filed Application No. C-2537 seeking approval of another revised SGAT.

As the "replacement" SGAT contained in Application No. C-2537 has become effective due to the passage of time, the Commission is of the opinion and finds that the continued consideration of Application No. C-2185 is unnecessary. Therefore, Application No. C-2185 should be closed.

ORDER

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-2185 should be, and is hereby, closed.

MADE AND ENTERED at Lincoln, Nebraska, this 6th day of November, 2001.
