On January 3, 2000, an application was filed by AmeriVision Communications, Inc. (Applicant) of Oklahoma City, Oklahoma, seeking authority to add the dba LifeLine Communications.

After several discussions with Commission staff regarding the appropriateness of using the name "LifeLine," a name which is also used to identify the government program providing assistance to low income households in receiving local exchange service, the applicant requested, in a letter dated February 8, 2000, that their application be withdrawn. The Commission finds that the applicant's request should be honored and the application should be withdrawn.
