BY THE COMMISSION:

By its application filed April 14, 2000, Brian and LuAnn Jackson (Applicants) residing within the Ohio exchange of ALLTEL Telephone Company, seek to receive telephone service from the Tobias exchange of the ALLTEL Communications Company. Notice of this application was published in The Daily Record, on April 17, 2000, pursuant to the Commission's Rules.

O P I N I O N A N D F I N D I N G S

ALLTEL is a certificated local exchange carrier operating in Nebraska and is subject to the Commission's general regulation of common carriers. On May 11, 2000, the Commission received confirmation from ALLTEL that it had no objection to the applicants' request for a boundary change and confirmed that the boundary change would not affect service to anyone else in the immediate area. The May 11, 2000, letter also contained ALLTEL's estimate for construction costs associated with the completion of the boundary change. On September 15, 2000, this Commission received a letter from the applicants requesting to withdraw this application due to the fact that the construction costs were higher than the applicants had anticipated. Accordingly, the Commission is of the opinion and finds that the request made by the applicants to withdraw is reasonable and, therefore, should be granted.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-2272 be and it is hereby, withdrawn without prejudice.
