O P I N I O N A N D F I N D I N G S

DTI is a privately held Minnesota corporation and has received authority to conduct business in Nebraska from the Secretary of State. DTI proposes to offer "1+", "800", calling card, and debit card services suitable for voice and data transmissions, and also alternative operator services, throughout the entire state of Nebraska. DTI is a non-facilities-based carrier and will resell its services utilizing the facilities of existing certificated carriers. DTI has previously been granted authority to provide interexchange services in five states, and intends to gain certification throughout the entire United States. DTI filed evidence demonstrating sufficient financial and technical ability.

Interexchange reseller applications are subject to Commission jurisdiction under Neb. Rev. Stat. §§ 75-604 and 86-805 and Title 291 of the Commission's Rules and Regulations, Chapter 5, Rule 003.12. From examination of the application filed herein, the Commission finds applicant has provided all the information required by the Commission, possesses adequate financial resources to provide the proposed service and possesses adequate technical competency to provide the proposed service. The application should be granted.
